
THE FOLLOWING IS A BROADCAST EMAIL TO ALL OVS FUNDED VICTIM ASSISTANCE PROGRAMS

Dear Colleague:

Over the past two years, Vision 21 has been conducting the first comprehensive assessment of the victim assistance field in nearly 15 years and is an opportunity for real change in the role of victim services in the Nation's overall efforts to ensure the safety and well-being of communities.

The Department of Justice released the final report last week. You can access the complete Vision 21 Report, an Executive Summary and a Vision 21 At-A-Glance report at <http://ovc.ncjrs.gov/vision21/index.html>. Please take some time to review this important document.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.

Sincerely,

Emma Graham
