THE FOLLOWING IS A BROADCAST EMAIL TO ALL OVS FUNDED VICTIM ASSISTANCE PROGRAMS

Dear Colleague:

OVS is assessing the training needs of funded Victim Assistance Programs (VAPs). To that end, we are soliciting your opinion on the subjects you believe your agency most needs training. Your input is invaluable in helping OVS establish its training plan for the next calendar year. Below is a link to a short, six-question survey regarding VAP training needs. A similar survey is also being distributed to all OVS staff. The results of both will be used to put together a comprehensive VAP Training Plan for 2014.

The survey can be found here <http://www.surveymonkey.com/s/2CNPL3K>. Please fill the survey in by no later than October 7, 2013. We appreciate your prompt response.

Our goal is to create a training program that meets your needs and assists you in your important role of providing direct services to crime victims. Thank you for your continued contributions to this effort.

Sincerely,

Christine Profera
