Dear Colleague:

Effective July 1, 2013, limitations on administrative expenses and executive compensation contained within Governor Cuomo's Executive Order #38 and related regulations published by the New York State Office of Victim Services (OVS) go into effect. To provide assistance with compliance regarding Executive Order #38 and the related regulations, New York State has developed an Executive Order #38 website - <http://executiveorder38.ny.gov>. This website serves as a comprehensive resource on the regulatory limitations and compliance with those limitations, including guidance and assistance for providers, as well as the ability to submit an application for a waiver from the regulatory requirements. Please feel free to share this information widely.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.

Sincerely,

Emma Graham
