DOWNLOAD INSTRUCTIONS

Attending PCs will require a one-time download and installation. The Live Meeting Windows console needs only one installation for all future meetings attended from the same PC. This download/install is automatic for first-time Live Meeting attendees at the time they connect.

Live Meeting 2007 Auto Install & System Compatibility Test

To avoid potential download-related delays at start time, please take a moment to prepare your PC in advance by copying and pasting the URL listed below into your Internet browser:

http://go.microsoft.com/fwlink/?LinkId=90703

Please note: If you have permission to install software from the Internet on your computer, choose the "Recommended (15 MB)" installation option. If you cannot install software on your computer, select the "Use Web Console (Fastest)" installation option.

Please note that the Web Console (Fastest) option has limited functionality. (Not recommended)
