

THE FOLLOWING IS A BROADCAST EMAIL TO ALL OVS FUNDED VICTIM ASSISTANCE PROGRAMS

Dear Colleague:

With the recent increase in VOCA training funds, OVS wants to ensure that we are meeting the training needs of our funded programs. This is an incredible opportunity to provide administrative, substantive and innovative training and support to victim assistance providers.

To that end, OVS has teamed-up with the National Association of VOCA Assistance Administrators (NAVAA) to conduct a comprehensive state-wide training needs assessment. Your participation in this assessment is critical to our developing a training schedule that is responsive to the needs of the programs.

We strongly encourage you to share this with members in your organization and have them complete the confidential *Training Needs Assessment Survey* linked below:

<http://www.navaa.org/tta/>

The Training Needs Assessment Survey will be available until close-of-business on **Friday, April 15, 2016**.

For more information or if you are experiencing any technical issues with completing this survey, please contact Blake Kush at blake.kush@ovs.ny.gov or (518) 485-2761.

Thank you for your support and contribution to this effort.
