[CALL FOR PARTICIPATION: OVS 2020 Training Needs Assessment Survey](#)

Dear Colleague:

OVS is committed to meeting the training and technical assistance needs of all victim service providers and we need **your help** to help shape the future of these training efforts.

Partnering with the Center for Human Services Research at the University at Albany (SUNY), OVS is conducting an anonymous and all-inclusive [state-wide training needs assessment survey](#).

Your participation in this survey is critical to our development of future training topics, types and schedules that are directly responsive to your needs. Efforts from previous needs assessment surveys have shaped recent training opportunities considerably and would not have been possible without feedback from victim service professionals like you.

[Click here to take the survey!](#)

The survey will be available until close-of-business on **July 8, 2020**.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.

Additional training information can always be found on the [OVS VAP Training Center](#) webpage and by downloading the [OVS Training App](#). Subscribe to future training correspondences from OVS by clicking the *Subscribe Now!* button below.
