

Office of Victim Services

The following is a **Broadcast Email** to all OVS Funded Victim Assistance Programs:

Dear Colleague:

The New York State Office of Victim Services (OVS) is exercising our option to extend all contracts executed under the Case Manager procurement for a period of eighteen (18) months. Victim Assistance Programs (VAP) that have case manager contracts that are scheduled to terminate on March 31, 2021 have the option of extending those contracts until September 30, 2022. Additional funding for this period will be based on the amount of your award for the period ending 3/31/21 and will be prorated over the 18-month extension period. One contract extension for the 18-month period will be processed in the grants gateway and additional information will be forthcoming via an award letter.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.
