Dear Colleague:

Attached please find a letter and program flyer from Lifespan of Greater Rochester Inc. The letter invites your participation in the Elder Justice Advocate Project, a project to create a network of Elder Justice Advocates throughout upstate New York and the flyer provides an overview of the program and contact information for the Project Director. The goal of the project is to improve outcomes for victims of elder abuse. There is no cost to participate and participating advocates will receive training, networking and continuing education opportunities. Please review the attachments to learn more about this project and how to become an Elder Justice Advocate.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.

Sincerely,

Chet Fiske
