[Transition FORWARD Webinar Series](#) [ANNOUNCEMENT](#)

Dear Colleague:

In the coming weeks, all regions of New York State will have officially started the transition FORWARD, on the way to reopening regions in a return to in-office and in-person work and gatherings.

We understand that this time of transition comes with excitement, challenges, and questions, and OVS is here to support you. Partnering with the [Institute for Disaster Mental Health at SUNY New Paltz](#) and leadership consultants from the OVS [Training and Technical Assistance Request Program \(TTARP\)](#), J.A. Strategies and Krieger Solutions, we have developed a NEW webinar series focused on this transition FORWARD. These 45-90 minute sessions will focus on practical and emotional issues that you and your teams may be facing as you begin to phase into reopening, whether that looks the same or different to the environment you left back in March.

Registration is now open for the following webinars. Click on each link for more information and to pre-register:

- Tuesday, June 16th, 10:00 am – [Transitioning your Team Back to the New Normal](#)
- Wednesday, June 24th, 10:00 am – [Coping with Loss and Grief](#)
- Tuesday, June 30th, 11:00 am – [Motivating Staff in the New Normal](#)
- Wednesday, July 8th, 10:00 am – [Building and Sustaining Personal and Professional Resilience](#)
