Subject: Broadcast Email: NEW Training & Technical Assistance Request Program

THE FOLLOWING IS A BROADCAST EMAIL TO ALL OVS FUNDED VICTIM ASSISTANCE PROGRAMS AND CHILD ADVOCACY CENTERS

Dear Colleague:

The New York State Office of Victim Services (OVS) [Victim Assistance Program \(VAP\) Training Center](#) is pleased to announce the launch of a new **Training & Technical Assistance Request Program**. By drawing on the expertise of training experts, OVS will match professional consultants (J.A. Strategies & Kreiger Solutions), with OVS-funded programs to deliver customized training and technical assistance at no cost to VAPs!

Starting today, **April 18, 2018**, VAPs can select a service or training topic from a newly developed catalogue and submit a formal training or technical assistance request online. Requests will be considered on a first come, first served basis, with the selection process streamlined for swift review and response.

More information about this program, including standard operating procedures and consultant biographies is available [online](#).

In addition, a [Training & Technical Assistance Request Program Webinar](#) detailing this new opportunity will be held on **Tuesday, May 1, 2018 at 10:00am**.

In the meantime, questions about this valuable opportunity should be directed to training@ovs.ny.gov with "Question" in the email subject line.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.

Sincerely,

Blake Kush
