The following is a **Broadcast Email** to all OVS Funded Victim Assistance Programs:

---

Dear Colleague:

Performance measurement data entry for grant activity that occurred from April 1 – June 30, 2019 may now be entered in the Office for Victims of Crime's (OVC) Performance Measurement Tool (PMT) at <https://ovcpmt.ojp.gov>. Both the data entry for the new quarterly report and any adjustments to previously submitted reports MUST be completed by July 22, 2019.

Failure to comply with this reporting requirement may delay future contract payments to your agency. If you have questions specific to your grant or reporting requirements outlined in your award's special conditions, please contact your OVS Contract Manager.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.
