WEBINAR RECORDING LINK ANNOUNCEMENT: [Welcome to OVS Introductory Webinar](#)

The New York State Office of Victim Services (OVS) is pleased to share the webinar recording link from a recent training for Victim Assistance Programs (VAPs):

The [Welcome to OVS Introductory Webinar](#) was held on Wednesday, November 6, 2019 and provided an overview of OVS, including information about the OVS victim compensation process and what to expect as a newly funded OVS grant recipient.

In addition to the webinar recording, OVS has also published supplemental resources supporting new programs and their staff to make the transition to working within OVS-funded parameters as seamless as possible.

Links to a [PMT update announcement](#), the [webinar PowerPoint slides](#), a [VAP resource guide](#) as well as a [Grants Q & A](#) and [Compensation Q & A](#) have all been made available above and in the notes section of the recorded webinar's YouTube video.

OVS strongly encourages VAPs to watch this webinar and to download and share these newly published resources.

On behalf of the New York State Office of Victim Services, thank you for your commitment to providing the highest quality services to innocent victims of crime in New York State.
