Crime Victims Can Get Help

- The Office of Victim Services may be able to assist you with items such as: lost wages, medical expenses, counseling, funeral expenses, essential personal property, occupational rehabilitation, moving costs or crime scene clean-up.
- The Office of Victim Services also can answer questions about your eligibility for compensation, services available to you and the location of your local victim assistance program.
- Police and District Attorneys can help protect you against harassment and intimidation.
- Compensation applications and information detailing eligibility for compensation may be found in every police station, precinct and any location across the state where a crime may be reported.

Revised 7/2018
