4. EVALUATION AND SELECTION PROCESS

4.1 Proposal Evaluation

Each Proposal Requirement (Administrative and Bid Request Form) will first be examined in a proper and timely manner to assess for completeness and conformance with requirements as described beginning in [Section 3.1 Proposal Requirements](#) through [3.3 Proposal Requirement Two \(2\): Bid Response](#) including all required signed documents, forms, and attachments as required. Any proposal may be denied further consideration at this point if it does not meet those requirements.

In addition, OVS reserves the right to determine the suitability of a hotel to host the conference. OVS also reserves the right to perform a site visit prior to the award of the contract to ensure suitability for the requirements of this IFB.

4.2 Evaluation Categories, Proposal Requirement One (1): Administrative Proposal Evaluation

The Administrative Proposal Evaluation is conducted as a completeness review. Successful Bidders will provide all administrative requirements in the order and format detailed in [Section 3.2 Proposal Requirement One \(1\): Administrative Proposal](#).

Administrative Proposals are evaluated on completeness and accurateness of the requirements described in [Section 3.2 Proposal Requirement One \(1\): Administrative Proposal](#).

In the event an Administrative Proposal is incomplete, OVS reserves the right to request additional information as deemed necessary to more fully evaluate a proposal. Failure to provide requested information or documents may result in a rejected proposal. Materials should follow prescribed formats and in the same order as requested.

4.3 Evaluation Categories, Proposal Requirement Two (2): Bid Response Form

A. Upon meeting the minimum requirements, the financial evaluation is valued at 100%.

B. The award will be based on the lowest responsible bidder.

4.4 Tie Breaker

In the event of a tied score, the Director or their designee shall make the final determination based upon a site visit evaluation score. Criteria, for this evaluation includes, venue cleanliness (5 points), ADA accessibility (5 points), proximity to public transportation (5 points) and online third-party customer reviews (5 points), for a maximum score of 20.

4.5 Notification of Award

After the evaluation, all Bidders will be notified of the selected bidder and OVS will enter into contract negotiations with the successful bidder. Public announcements or news releases pertaining to any contract resulting from this solicitation shall not be made without prior written approval from the administering agency.

5. GENERAL CONDITIONS & CONTRACT REQUIREMENTS

5.1 Administering Agency

OVS is the administering agency for the State of New York for this procurement.

5.2 Method of Award

This is a single award solicitation.

Each response will be evaluated based on the information submitted by the Bidder by utilizing the evaluation methodology as described throughout [Section 4. EVALUATION AND SELECTION PROCESS](#).

Upon determination of the best value Proposal, a State Operations Contract Agreement will be completed for the selected Bidder. This contract will be executed and forwarded for all necessary signatures and State approvals. Upon final approval, a fully executed copy will be mailed to the successful bidder.

Funding is contingent on availability of sufficient funding, federal approvals, and the contract is subject to approval by the Attorney General and State Comptroller.

5.3 Non-Collusive Bidding

Each bidder shall submit, as part of the proposal, a completed copy of the Non-Collusive Bidding Certification. This will certify that, to the best of the bidder's knowledge and belief:

- The prices in the bid have been arrived at independently, without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices, with any other bidder or with any competitor.
- Unless otherwise required by law, the prices which have been quoted in the bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder, directly or indirectly, to any other bidder or to any competitor prior to completion of selection process.
- No attempt has been made or will be made by the bidder to induce any other person, partnership, or corporation to submit or not to submit a bid for the purpose of restricting competition.

A bid shall not be considered for award, nor shall any award be made where the above conditions have not been complied with; provided, however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where the above conditions have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the State, public department, or agency to which the bid is made, or their designee, determine that such disclosure was not made for the purpose of restricting competition. (Section 139-d of the State Finance Law).

The fact that a bidder has published price lists, rates, or tariffs covering items or services being procured, has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or has sold the same items to other customers at the same prices being bid, does not constitute a disclosure within the meaning stated above.

5.4 IFB Documents

OVS will make no allowance or concession to bidders for any alleged misunderstanding or deception because of quantity, character, or other conditions. The proposed budget is to cover the cost of furnishing all of the services specified in the IFB to the satisfaction of OVS and the performance of all work set forth in the specifications.

5.5 Bid Proposal Effective Period

The Bidder's proposal must be in effect for 90 days following the final date for submission of bid.

5.6 Save Harmless Clause

The selected bidder agrees and stipulates that it will assume all risks of liability in the performance of services to be provided under this proposal and that it will be solely responsible and liable for damages resulting from all accidents and injuries to person(s) or property. The selected bidder agrees to indemnify, keep and hold harmless the State of New York, its officers and employees for any and all claims for injury or damage to persons or property, arising out of the service to be performed under this proposal, including negligence, active or passive, or wrongful or improper conduct of the selected bidder, its agents or employees.

5.7 Liability

OVS shall not be held liable for any costs incurred by any party for work performed in the preparation of and production of any proposal or for any work performed prior to the formal execution of a contract.

5.8 Reserved Rights

OVS reserves the right to:

1. Reject any or all proposals received in response to this IFB and to reissue a modified version of this IFB.
2. Amend IFB specifications to correct errors or oversights, or to supply additional information as it becomes available.
3. Direct the bidder to submit proposal modifications addressing subsequent IFB amendments issued as per #2 above.
4. Make typographical corrections to proposals, with the concurrence of the bidder.
5. Correct computational errors with the written concurrence of the bidder.
6. Change any of the scheduled dates stated herein.
7. Eliminate any mandatory specification that cannot be complied with by any of the prospective bidders.
8. Waive or modify minor irregularities in proposals received.
9. Request additional information as deemed necessary to more fully evaluate a proposal.

5.9 Mandatory Contract Provisions

OVS requires the following:

1. The bidder will read Appendix A (Standard Clauses for New York State Contracts), which will be incorporated as part of the contract without revision.
2. All outstanding tax liabilities, if any, against the bidder in favor of the State of New York must be satisfied prior to contract execution or a payment schedule for their speedy satisfaction.
3. The bidder must maintain adequate records as prescribed by OVS to substantiate all claims

for payment and must make those records available in New York State for examination and copying.

4. The first step of dispute resolution will be through conference between OVS and the Contractor. Unresolved disputes will be decided by the Director of OVS, or their designee, before either party pursues any legal remedy. If the Contractor pursues any legal or equitable remedy outside OVS, the Contractor will continue to perform work at the direction of OVS until such proceedings may be concluded and will continue to be paid, less an amount attributable to the disputed work.
5. Contract disputes that go to litigation must be pursued in a court of competent jurisdiction of the State of New York. New York law will govern the dispute and venue must be laid in Albany County, New York.
6. The contract will not be effective until it is approved by the Office of the State Comptroller.
7. The provisions of this IFB and of all attachments, and the Contractor's Response, will be made a part of the contract, as though separately and fully stated therein.
8. Article XI-A of the State Finance Law ("prompt payment" legislation) regulates the procedures for making contract payments.
9. The laws of the State of New York shall be the law which shall govern the interpretation or application of any of the terms or conditions of this proposal or subsequent contract.
10. The State of New York retains the right to cancel this contract without reason, provided that the contractor is given sixty (60) days' notice of its intent to cancel. This provision should not be understood as waiving the State's right to terminate the contract to stop work immediately for unsatisfactory work but is supplementary to that provision.

The New York State Office of Victim Services reserves the right to terminate this contract in the event it is found that the certification filed by the Bidder in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, the New York State Office of Victim Services may exercise its termination right by providing written notification to the Bidder in accordance with the written notification terms of this contract.

The Office of Victim Services cannot pay cancellation charges.

5.10 Special Conditions

By accepting an award from OVS under this IFB, the recipient agrees to comply with all of the special conditions outlined in appendices.

5.11 Freedom of Information

All proposals submitted and all related Agreements and reports may be subject to disclosure under the Freedom of Information Law.

5.12 Debriefing Procedures

Pursuant to Section 163(9) (c) of the State Finance Law, any non-awarded bidder may request a debriefing regarding the reasons that the proposal submitted by the bidder was not selected for award. Requests for a debriefing must be made within fifteen (15) calendar days of written notification by OVS that the proposal submitted by the bidder was not selected for award.

Requests for a debrief must be submitted to Rachel.Gentile@ovs.ny.gov.

5.13 Protest Procedures

Bidders who receive a notice of non-award may protest the award decision by filing a protest with OVS. All protests must be filed within ten (10) business days of receipt of a debriefing, or ten (10) business days of receipt of the notice of non-award, whichever is later. The protest letter must be submitted to Rachel.Gentile@ovs.ny.gov. Please include the title of this solicitation in your correspondence.

OVS will review and consider the merits of the protest and will decide whether the protest is approved or denied. The bidder will be provided with written notification of the review decision within seven (7) business days of receipt of the protest.
