

**2025 Victims of Crime Act (VOCA) Request for Applications (RFA) Change Notice**

The purpose of this Change Notice is to advise applicants of (1) area of the RFA in which a correction is necessary.

**Date: 2/26/2025**

**Details:**

**Change Notice 1**

**Position Description Form, Descriptions tab, Other VOCA Allowable Activities.** The current language reads: *"Costs that are generally not considered direct crime victim services, but are necessary/essential to ensure quality direct service."*

*May include, but not limited to:*

- *Supervision (provided and received) of direct service staff and volunteers, direct-skills training for direct service staff and volunteers*
- *Coordination of activities that facilitate direct services, including participation in multi-system, multi-disciplinary and interagency teams, coalitions, and crisis response teams*
- *Travel to and participation in VOCA-Allowable trainings; needs assessments; outreach; and victim satisfaction surveys and other program evaluation*
- *Staff completion of VOCA-required reporting"*

**Correction:** The last bullet should be removed, and the description should read: *"Costs that are generally not considered direct crime victim services, but are necessary/essential to ensure quality direct service."*

*May include, but not limited to:*

- *Supervision (provided and received) of direct service staff and volunteers, direct-skills training for direct service staff and volunteers*
- *Coordination of activities that facilitate direct services, including participation in multi-system, multi-disciplinary and interagency teams, coalitions, and crisis response teams*
- *Travel to and participation in VOCA-Allowable trainings; needs assessments; outreach; and victim satisfaction surveys and other program evaluation"*
